I hereby certify that the disciplined current scales used in illustrations by Manhattan Life Insurance Company for these plans are in conformity with the Actuarial Standard of Practice No. 24 for Compliance with the NAIC Model Regulation on Life Insurance Illustrations promulgated by the Actuarial Standards Board, and that the illustrated scales used in insurer-authorized illustrations meet the requirements of this regulation.

- a. For business issued in the last five years, the currently payable scale has not been reduced for reasons unrelated to experience changes.
- b. There are not any inconsistencies between illustrated non-guaranteed elements for new policies and similar in-force policies.
- c. Illustrated non-guaranteed elements for new and in-force policies are consistent with the non-guaranteed element amounts actually being paid, credited or charged to the same or similar forms.
- d. The 2011 Life Insurance Illustrations Generally Recognized Expense Table prepared by the Society of Actuaries and adopted by the NAIC was used in allocating overhead expenses for all illustrations.

I have relied upon data and other information supplied by said insurer in making this certification. I have reviewed the data and other information for reasonableness and consistency with reported Company results.
